Definitions

The terms defined in this section relate specifically to this policy. For commonly used terms e.g. Approved Provider, Regulatory Authority, National Law, National Regulations etc. refer to the *General Definitions* section of this manual.

Actively working towards: An educator who is enrolled in a course for a qualification, and provides the Approved Provider with documentary evidence of their commencement in the course, their satisfactory progress towards completion of the course and ongoing evidence that they are meeting all the requirements to maintain their enrolment. Educators who are 'actively working towards' an approved diploma-level qualification must also hold an approved certificate III level education and care qualification or have completed the mandatory units of study in an approved certificate III level education and care qualification as determined by the national authority (ACECQA).

Adequate supervision: (In relation to this policy) **supervision** entails all children (individuals and groups) in all areas of the service, being in sight and/or hearing of an educator at all times including during toileting, sleep, rest and transition routines. Services are required to comply with the legislative requirements for educator-to-child ratios at all times. Supervision contributes to protecting children from hazards that may emerge in play, including hazards created by the equipment used.

Adequate supervision refers to constant, active and diligent supervision of every child at the service. Adequate supervision requires that educators are always in a position to observe each child, respond to individual needs, and immediately intervene if necessary. Variables affecting supervision levels include:

- number, age and abilities of children
- number and positioning of educators
- current activity of each child
- areas in which the children are engaged in an activity (visibility and accessibility)
- developmental profile of each child and of the group of children
- experience, knowledge and skill of each educator
- need for educators to move between areas (effective communication strategies).

Approved first aid qualification: A list of approved first aid qualifications, anaphylaxis management and emergency asthma management training is published on the ACECQA website: www.acecqa.gov.au

Certified Supervisor: An educator with a Supervisor Certificate (in accordance with the National Regulations) who may consent to being placed in day-to-day charge of the education and care service. The designation must be made by the Approved Provider or the Nominated Supervisor and accepted in writing by the Certified Supervisor. A Certified Supervisor placed in day-to-day charge of a service **does not** have the same responsibilities under the National Law as the Nominated Supervisor. Applications for Supervisor Certificates are assessed by the Regulatory Authority.

Criminal history record check: A full-disclosure, Australia-wide criminal history record check issued by Victoria Police (refer to *Sources*), or by a police force or other authority of a state or territory, or the Commonwealth. It may also be referred to as a National Police Certificate or Police Records Check.

Early childhood teacher: A person with an approved early childhood teaching qualification. Approved qualifications are listed on the ACECQA website: www.acecqa.gov.au

Educator: An individual who provides education and care for children as part of an education and care service.

Educational Leader: The Approved Provider of an education and care service must designate, in writing, a suitably-qualified and experienced educator, co-ordinator or other individual to lead the development and implementation of educational programs at the service (Regulation 118). This person must have a thorough understanding of the *Early Years Learning Framework* (or other approved learning framework), be able to guide other educators in their planning and reflection, and mentor colleagues in the implementation of their practice.

Fit-and-proper assessment: In determining whether an applicant is fit and proper, a Regulatory Authority must have regard for the applicant's history of compliance, criminal history record check, and any bankruptcy or insolvency issues. The Regulatory Authority may reassess fitness and propriety at any time. Registered teachers and those who hold a current Working with Children Check are considered to be fit-and-proper persons.

Nominated Supervisor: A person who is a Certified Supervisor and has been nominated by the Approved Provider of the service under Part 3 of the Act to be the Nominated Supervisor of that service, and who has consented to that nomination. The Nominated Supervisor has day-to-day responsibility for the service in accordance with the National Regulations. All services must have a Nominated Supervisor.

Responsible Person: The Approved Provider (if that person is an individual, and in any other case the person with management or control of the service operated by the Approved Provider) or a Nominated Supervisor or Certified Supervisor who has been placed in day-to-day charge of the service in accordance with the National Regulations.

Staff record: A record which the Approved Provider of a centre-based service must keep containing information about the Nominated Supervisor, the Educational Leader, staff, volunteers, students and the Responsible Person at a service. Details that must be recorded include qualifications, training and the Working with Children Check (Regulations 146–149). A sample staff record is available on the ACECQA website: <http://acecqa.gov.au/storage/Staff%20record.pdf>

Supervisor Certificate: Allows a person to consent to be the Nominated Supervisor or Certified Supervisor, and be placed in day-to-day charge of an approved service. Applicants must be 18 years or older, be assessed as a fit-and-proper person (refer to *Definitions* above) and meet the minimum requirements for qualifications, experience and management capability required under the Regulations (Regulations 46–49). Applicants for a Supervisor Certificate are assessed by the Regulatory Authority.

Victorian Institute of Teaching (VIT): The statutory authority for the regulation and promotion of the teaching profession in Victoria, established as part of the Victorian Institute of Teaching Act 2001. All teachers in Victorian government schools, Catholic schools and independent schools are required to be registered with the VIT in order to practise in their profession.

Working directly with children: For the purposes of the National Regulations, working directly with children is defined as being physically present with children and directly engaged in providing them with education and/or care.

Working with Children (WWC) Check: The check is a legal requirement for those undertaking paid or voluntary child-related work in Victoria and is a measure to help protect children from harm arising as a result of physical or sexual abuse. The Department of Justice assesses a person's suitability to work with children by examining relevant serious sexual, physical and drug offences in a person's national criminal history and, where appropriate, their professional history. A WWC Check card, notice or document (valid for five years), is granted to a person under working with children legislation if:

- they have been assessed as suitable to work with children
- there has been no information that, if the person worked with children, they would pose a risk to those children
- they are not prohibited from attempting to obtain, undertake or remain in child-related employment.
